

## Business InstantID

The Business InstantID<sup>®</sup> product works best if you enter as much information about the business and/or the authorized representative as possible. This search verifies the input information using sophisticated multi-source data comparisons to maximize accuracy. Providing data in more fields increases the reliability of your search.

[Click here](#) to view how to use the results of FraudDefender and InstantID.

Note: You must enter information in the required fields.

**Tips** Need assistance with your search form? Please review the definitions below.

### COMPANY

#### Company Name or DBA

Enter the name of the business.

*Example: **JXYM Enterprises***

#### Tax ID

Enter the company's TIN or FEIN.

*Example: **95-7869543***

#### Street Address

Enter the street address. You can enter the address with or without numbers. You can also include any other details, such as Ave., St., Ct. or Blvd., in the address.

*Example: **10 Brown Street***

*Example: **5th Avenue***

#### City

You can limit your search to specific cities.

*Example: **Columbus***

### **State**

Click on the arrow in the state field. A list of states will be provided. Then click on the appropriate state, which will auto-fill the state field.

### **Zip Code**

Enter the Zip Code. This field accepts the five-digit zip code.

*Example: 12345*

### **Phone**

Enter the company's phone number.

*Example: 555-444-3333*

## **AUTHORIZED REPRESENTATIVE**

### **Last Name**

Enter the last name.

*Example: Doe*

### **First Name**

Enter the first name.

*Example: John*

### **Middle Name**

Enter the middle name or initial.

*Example: Henry or H*

### **SSN**

Enter the social security number for the individual you are searching.

*Example: 444-44-4444*

### **Home Address**

Enter the street address for the Authorized Representative. You can enter the address with or without numbers. You can also include any other details, such as Ave., St., Ct. or Blvd., in the address.

*Example: 10 Brown Street*

*Example: 5th Avenue*

### City

You can limit your search to specific cities.

*Example: **Columbus***

### State

Click on the arrow in the state field. A list of states will be provided. Then click on the appropriate state, which will auto-fill the state field.

### Zip Code

Enter the Zip Code. This field accepts the five-digit zip code.

*Example: **12345***

### Phone

Enter the 10-digit phone number to be searched.

*Example: **111-555-1234***

### DOB

Enter an individual's date of birth to help narrow your search. Use as complete a DOB as possible. Enter the date in the format shown below.

*Example: Year Only **1958**; Month and Year **06/1958**; or, Month/Day/Year **06/03/1958***

### DL Number

Entering a driver's license number and driver's license state will verify if the driver's license number is valid for the input driver's license state.

*Example: **A1234***

### DL State

Enter the state of the driver's license. If you need assistance with the state abbreviation, you can click on the word "state" above the DL State field and then click on the appropriate state, which will auto-fill the state field.
